Federal Office for Immigration and Asylum

INFORMATION
for registered displaced persons from Ukraine

Have you **already received a personal identity card for displaced persons**? In that case, **you do not have to register with police again** if you have left Austria and return**.**

If you leave Austria for **more than 90 days**, you must, however, inform the Federal Office for Immigration and Asylum (BFA). For this purpose, please communicate the **following information** to the **BFA Regional Directorate** in the federal state which you want to reside in:

- Date when you last exited Austria
- Date when you last re-entered Austria
- Current address your are registered at in the Register of Residents
- Copy of a travel document
- Copy of the latest personal identity card for displaced persons issued to you if you still have it

If you **do not have a valid personal identity card for displaced persons** at the moment, the BFA will order one and send it to the address at which you are registered.
